## THE MANHATTAN

Life Insurance Co.,

OF NEW YORK.

ASSETS - \$12,000,000.

BETTER THAN A

GOVERNMENT BOND.

The MANHATTAN for a limited

period will offer the residents of

Nevada a Bond Combining Insurance

and investment that is in reach of

all and which every healthy able-bodied

man in the State should possess—for the protection of him-

self and family.

In explanation read what follows:

Suppose a special agent of the U. S.

Treasury Department should call on

you today and say:

The Government would like to

sell you bonds for any amount be-

tween \$1,000 and \$30,000 and if it

is not convenient for you to make

the investment at once, we will al-

low you to pay for the bonds in

Ten Equal Annual Installments.

And, suppose, in addition to this,

the Government, wishing to make

this the most desirable investment

in the world, should stipulate in

the bond, not only to pay them at

the end of the term, but in case of

your previous death, to pay them

to your family and AT THE SAME

TIME RELEASE YOUR FAMILY

FROM PAYING ANY FURTHER

MONEY.

Would you not at once close

with such an offer? And yet this

is practically what the Manhattan

Life Insurance Company, of New

York has done and is doing.
